

## **Export Compliance Statement**

It is the policy and intent of Exotic Electro-Optics to comply with all federal laws and export regulations as are applicable to the products, technology, and services we export. Exports must be made in compliance with all U.S. export regulations, most notably the Export Administration Regulations (EAR) and the International Traffic in Arms Regulations (ITAR). If you have any export related questions, please contact our Export Control Unit at 951-926-7601, or [send email at this link](#).
